3.2.14 Litigation History References		AAA LITIGATION.pdf	Attached	MAJ Litigation.pdf	
3.3 Technical Specifications					
3.3.1 Bidder will submit attached specification Performa duly signed and stamped References	Yes	Yes		Yes	
3.3.2 Line Item 1					
3.3.2.1 Description of item	Supply Of Dynamic Voltage Regulator With Active Power Filter And Power Factor Controlling System(Impedance Generator)(30KVA)	Supply Of Dynamic Voltage Regulator With Active Power Filter And Power Factor Controlling System(Impedance Generator)(30KVA)		Supply Of Dynamic Voltage Regulator With Active Power Filter And Power Factor Controlling System(Impedance Generator)(30KVA)	
3.3.2.2 Quantity	5	5		5	
3.3.2.3 Unit	Each	Each		Each	
3.3.2.4 Country of Origin	Country of Origin	China		China	
3.3.2.5 Part ID		TMET-30KVA		TNS-WS-30KVA	
3.3.2.6 Brand		TMET		POWERAGE WARRIOR SERIES	
3.3.2.7 Manufacturer name		Changzhou Tianman Intelligent		SHEN/HEN HIRD SCL&TECH CO.,	
3.3.2.8 Manufacturer Authorization Certificate References		Manufacturer Authorization Certificate.jpeg	Attached	Dealership Certificate.pdf	Attached
3.3.2.9 Delivery Period:7 months from award of contract	7 Months from the Award of Contract	7 Months from the Award of Contract	Confirmed	7 Months from the Award of Contract	Confirmed

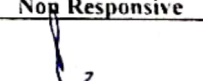

3.3.3 Line Item 2					
3.3.3.1 Description of item	Spare Parts for 30KVA capacity of DVR with active power filter and power factor controlling system (Impedance Generator) for five years	Spare Parts for 30KVA capacity of DVR with active power filter and power factor controlling system (Impedance Generator) for five years		Spare Parts for 30KVA capacity of DVR with active power filter and power factor controlling system (Impedance Generator) for five years	
3.3.3.2 Quantity	5	5		5	
3.3.3.3 Unit	Each	Each		Each	
3.3.3.4 Country of Origin	Country of Origin	China		China	
3.3.3.5 Part ID		TMET-30KVA		TMS-WS-30KVA	
3.3.3.6 Brand		TMET		POWERAGE WARRIOR SERIES	
3.3.3.7 Manufacturer name		Changzhou Tianman Intelligent		SHENZHEN IIRD SCITECH CO.,	
3.4 Line Item 3					
3.4.1 Description of item:	Installation,testing and commissioning of dynamic voltage regulator with active power filter and power controlling system (impedance	Yes		Yes	
3.4.2 Quantity	4	4		4	
3.4.3 Unit	job	job		job	
3.4.4 Deliver Period	7 months from the award of contract	7 months from the award of		7 months from the award of contract	
3.5	I We, the undersigned, offer to submit the attached documents in accordance with your Bid Documents and terms and conditions contained therein.	Yes		Yes	
3.6 SECTION 5- EVALUATION CRITERIA					
3.6.1 Please find the attached Technical Evaluation Criteria References					
3.6.2	Are you a Filer / NTN ?	Yes		Yes	
3.6.3	Please Attach Certificate of NTN	NTN.jpg	Attached	MAJ NTN.pdf	Attached
3.6.4	Are you Active income Tax Payer?	Yes		Yes	
3.6.5	Please Attach Income Tax Certificate	Active Income Tax.pdf	Attached	MAJ Returns 04-Nov-2023 10-31-	Attached
3.6.6	Are you Active Sale Tax Payer?	Yes		Yes	
3.6.7	Please Attach Sale Tax Certificate	Active Sale Tax.pdf	Attached	MAJ STN.pdf	Attached
3.6.8	Registered with PEC in Category PEC C-5 category or above with specialization of EE-04 EE-05	PEC Registration Certificate.pdf	Attached	MAJ reg.pdf	Attached
3.6.9	Completion Certificate of offered product alongwith ITC from End User is required (Min 2 Nos. certificates)	Completion Certificate.pdf	Attached	Experience certificate of DVR.pdf	Completion certificates attached are of AVR instead of DVR, active power filter, impedance generator and are not according to the specification of tender item
3.6.10	Technical Literature/Brochure of offered equipment With brand name and manufacture profile	Technical Literature - Manufacture Profile.pdf	Attached	POWERAGE WS CATALOG.pdf	Attached, offered product does not comply with the specification of tender item.
3.6.11	Compliance to Specifications is mandatory Please find attachment References	Compliance to Specifications.pdf	Attached	Specification of DVR -1-1.pdf	As per literature provided the offered product is not according to tender item as bidder has offered AVR while tender item is DVR along with active power filter and impedance generator
3.6.12	The bidder will confirm Third Party Inspection as per SCC and also attach certificate	Third Party Inspection.pdf	Attached	Certificate.pdf	Attached

4 FINANCIAL ENVELOP						
4.1 FINANCIAL PROPOSAL SUBMISSION FORM						
Financial proposal Submission Form						
4.2 I/We, the undersigned, offer to submit financial bids in accordance with your Bid Documents and terms and conditions contained therein						
4.3 Supply Of Dynamic Voltage Regulator With Active Power Filter And Power Factor Controlling System(Impedance Generator) of 30KVA						
Quantity	5					
Extended Price						
4.4 Spare parts of 30KVA Dynamic Voltage Regulator with active power filter and power factor controlling system (Impedance generator)						
DVR: Main Control Board,Driver Card set,3 cooling fans APF:Main Control Board,Driver Card set,2 cooling fans SVG: Main Control Board,Driver Card set,2 cooling fans						
Quantity	5					
Extended Price						
4.5 Installation,Testing and commisioning Of Dynamic Voltage Regulator With Active Power Filter And Power Factor Controlling System(Impedance Generator) of 30KVA						
Quantity	4					
Extended Price						
4.6 PAYEMENT TERMS						
4.6.1						
Payment Schedule						
60% payment of the contract value shall be paid to the Supplier after receipt and inspection of material as per PR Specification						
The remaining40% payment of the contract value shall be paid after Installation,Testing & Commissioning at Mirpur Mathelo,Ghotki,Mahehar and Panoakul stations (As per PR						
5 SECTION 6 - STANDARD FORMAT OF CONTRACT AGREEMENT FORM OF CONTRACT AGREEMENT						
5.1 STANDARD FORMAT OF CONTRACT AGREEMENT FORM OF CONTRACT AGREEMENT References						
5.2 Integrity Pact find attachment and fill up References						
				Accepted as per tender documents	YES	

SECTION 7 - GENERAL AND PARTICULAR CONDITIONS OF CONTRACT						
6.1	General Conditions of Contract is attached and downloadable references					
6.2	Special Condition of Contract are attached and downloadable References		Accepted as per tender documents		YES	
6.3	Warranty The bidder will give warranty for free of cost repair replacement of the parts equipment warranty shall be valid for a period of 18 Months and starts after completion of installation Testing and commissioning. Bidder will attach warranty certificate			Attached		Attached
6.4	Special Terms and Conditions: 1. The firm shall submit complete instruction / operational manual / catalogue along with complete maintenance and troubleshooting manual 2. Inspection and Testing to be carried out by the committee nominated for inspection and testing of equipment by Competent Authority. The committee will test the equipment as per defined specification. 3. The bidder will ensure all the testing facilities required to perform testing as per defined Specifications of Equipment 4. Material will be inspected on receipt in inspection store (Sukkur). Physical and practical performance testing will be carried out by subjecting material to practical performance tests (where 5. In case of inspection at firm's premises all incidental charges will be on firm's part In case of rejections, test charges will be borne by supplier In addition to above, the supplier shall arrange third party inspection at his own cost before shipment of the equipment as per following procedure The supplier will provide a list of three third party inspectors from approved panel of International Electro Technical Commission to the purchaser along with Serial Number of all equipment to be supplied The purchaser shall select one third party inspector to inspect one equipment from each category randomly to confirm the compliance of the equipment to Pakistan Railway specifications. The supplier shall provide report of third party inspection to the purchaser. The equipment shall be shipped after satisfactory report of third party inspector
