DIRECTORATE OF PROPERTY & LAND
PAKISTAN RAILWAYS
HEADQUARTERS OFFICE
LAHORE

No. 473-W/OFC/2020/P&L/Pt-I

Dated:- 04-03-2022

The Chief Engineer/Telecom,
Pakistan Railways,
Headquarters Office,
Lahore.

Sub:- **REQUEST FOR ROW FOR THE LAYING OF CYBERNET'S FIBER CABLE
ALONG THE RAILWAY TRACKS AND INFRASTRUCTURE.**

Ref:- Your office Letter No. Telecom-716/Pt-I dated 03-03-2022.

In reference to your letter cited above, it is intimated that as per policy the projects falling in the jurisdiction of one Division should be referred to concerned DS to process the case in line with the new policy on the subject issue, whereas in case the project falls in more than one Division, it should be forwarded to Director General/P&L complete in all respects by fulfilling the conditions/ pre-requisites mentioned below:-

Since the applications are to be processed on fast track basis, therefore to save time, all concerned are requested to develop their own SOP's / checklists to be followed to avoid unnecessary inconvenience to the applicants.

In this connection, following information/ documents are required to be collected from the company with application in line with the policy for processing the case for issuance of NOC:-

1. Registration documents of the company including licensing from PTA/ TIP/LDI which ever applicable,
2. Copy of joint venture/ consortium agreement, if applicable.
3. Evidence for payment of Rs.10000/- application fee (non-refundable) in the shape of pay order/ demand draft in favour of concerned Divisional Accounts Officer or in favour of FA&CAO/Revenue in case more than one division is involved.
4. Complete GIS drawing, site plan and layout of OFC cable/ installation to be laid/ installed on P.R Land indicating total length/ area required to lay OFC.
5. The Complete detail/ specification of the OFC cable including number and size of ducts, number of fibers including the cross section of the proposal.
6. Company will also indicate the co-location center to be provided on P.R Land alongwith dimension.
7. Number of track crossing involved in the proposal, if any.
8. Number & size of road crossing on P.R land, if any.
9. Declaration on judicial stamp paper in line with clause-8 (c) of the policy.
10. As per policy the rental charges are based on number of cables, therefore Chief Engineer/ Telecom and Divisional Telecom Engineers will intimate the number of OFC cables for calculation of rental charges.
11. CEN/Telecom will also specify whether the company will provide 12 cores of fibers for Railway use or otherwise

Dated 7/3

Director / II

In view of above, it is requested that in future the applications/ proposals may be forwarded to this office where more than one division is involved by fulfilling all the above pre-requisites to process the cases in the given time line.

04/3/2022

(Amjad Iqbal)

Joint Director/P&L

for Director General /P&L
